

WEBSITE COOKIES POLICY

How we use Cookies

Cookies are very small text files that are stored on your computer when you visit some websites.

We use cookies to help identify your computer so we can tailor your user experience and store what you write in the application form.

You can disable any cookies already stored on your computer, but these may stop our website from functioning properly.

The following is strictly necessary in the operation of our website.

This Website Will:

- Remember what you entered into in your application form
- Remember that you are logged in (If we create a login functionality for the applicant) and that your session is secure.

The following are not Strictly Necessary, but are required to provide you with the best user experience and also to tell us which pages you find most interesting (anonymously).

Functional Cookies

This Website Will:

- Track the pages you visits via Google Analytics

This website will not

- Share any personal information with third parties.
